

Collectie Maartje Draak

Universiteitsbibliotheek
Partner in Science

Onderdeel van: Collectie Keltisch

Lemma Digitaal Repertorium: <http://repertorium.library.uu.nl/node/3002>

Samengesteld door Marloes Koelewijn en Nina Vogels

Versie: 16-05-2018

Amalia Maartje Elisabeth (Maartje) Draak (1907-1995) kwam via de HBS-B in 1929 terecht op de Universiteit van Amsterdam, waar zij begon aan de studie Nederlands. In 1933 voltooide ze haar opleiding in Utrecht, waar ze tijdens haar doctoraalfase in contact kwam met de bekende keltoloog A.G. van Hamel. Deze ontmoeting was een keerpunt in haar leven. Ze koos bijvakken als Welsh, Oud-Frans en Oud-Iers. In 1936 promoveerde ze cum-laude bij Van Hamel met haar proefschrift getiteld *Onderzoekingen over de Roman van Walewein*. Dankzij een beurs van de *International Federation of University Women* werd Draak in staat gesteld een jaar in Engeland en Ierland te verblijven, waar ze met grote namen uit de keltologie in aanraking kwam. Door de Tweede Wereldoorlog moest zij haar onderzoek staken en werd ze lerares Nederlands in Amsterdam. Toen net na de oorlog, in 1945, Van Hamel plotseling overleed, werd Draak benoemd tot privatdocent, vervolgens lector en uiteindelijk bijzonder hoogleraar in de Keltische taal- en letterkunde. In 1955 was zij de eerste vrouw die lid werd van de Koninklijke Nederlandse Academie van Wetenschappen aan de afdeling Letterkunde.

Haar keltologische bibliotheek was bestemd voor haar voormalige Utrechtse vakgroep. Door ruimte- en geldgebrek is echter besloten dat de Universiteit Utrecht deze collectie zou veilen, nadat zij daar titels uit had gezocht die in de eigen collectie ontbraken en die van belang werden geacht.

De collectie

De Collectie Maartje Draak in de Universiteit Utrecht bestaat uit 533 titels. De hier gepresenteerde lijst is een geOCRde en nagekeken versie van het typoscript dat zich in het archief van de Universiteitsbibliotheek Utrecht bevindt. Hierdoor kan het lettertype afwijken. De titels hebben vooral met keltologie te maken, maar ook met bijvoorbeeld middeleeuwse Franse en Engelse literatuur. De lijst verschaft informatie over de auteur; de co-auteur, redacteur of vertaler; titel; serie- of jaartitel; plaats van uitgave, uitgever, jaar van uitgave en de vindplaats in de Universiteitsbibliotheek Utrecht op 16 mei 2018. Overbodige informatie zoals het aantal pagina's en de afmetingen van een titel zijn hierin weggelaten. Een aantal titels zijn meerdere keren te vinden in de Universiteitsbibliotheek Utrecht. Van deze titels is voor zover mogelijk nagegaan welke de versie van Maartje Draak was en het is dan ook de versie die in deze lijst te vinden is. De titels staan op alfabetische volgorde (achternaam auteur) tot nummer 383, vanaf dit punt heeft de lijst een willekeurige indeling. De boeken zijn op te vragen via <https://utrechtuniversity.on.worldcat.org/discovery>.
